

Wismer Award for High School Coaching Excellence

The Wismer Award for High School Coaching Excellence was established in 2004 with the co-operation of the Hamilton-Wentworth District School Board and the Hamilton-Wentworth Catholic District School Board. This cash award and trophy is presented annually to two outstanding, currently active high school coaches in the city of Hamilton, one coach from the HWDSB and one coach from the HWCDSB. It is the Wismer Foundations' mission to reward and recognize coaches who provide a strong foundation for today's youth.

The Wismer Award winners will have provided support and encouragement to enhance the life skills and abilities of student athletes. Nominations are accepted from any student, colleague, parent, coach, or friend. The recipients of the Award are determined by a selection committee comprised of the Athletic Conveners from the HWDSB and HWCDSB, and teacher/Board representatives.

Wismer Award for Academic and Athletic Excellence

The Wismer Foundation awards a cash scholarship yearly to an exceptional male and female high school student athlete to assist with furthering their post-secondary education.

The recipients are graduating students of Nora Frances Henderson High School continuing their post secondary education at a University or Community College. The recipients must have excelled both academically and athletically and maintained at least a 75% grade average annually. The Award winners demonstrate commitment, leadership, teamwork, and fair play. Nominations are submitted by staff and coaches.

John Wismer was a respected, highly regarded, passionate educator with the Hamilton Wentworth District School Board for thirty-three years. His career began in 1956 at Central High School and in 1961 he moved to Barton High School where he became Head of Physical Education.

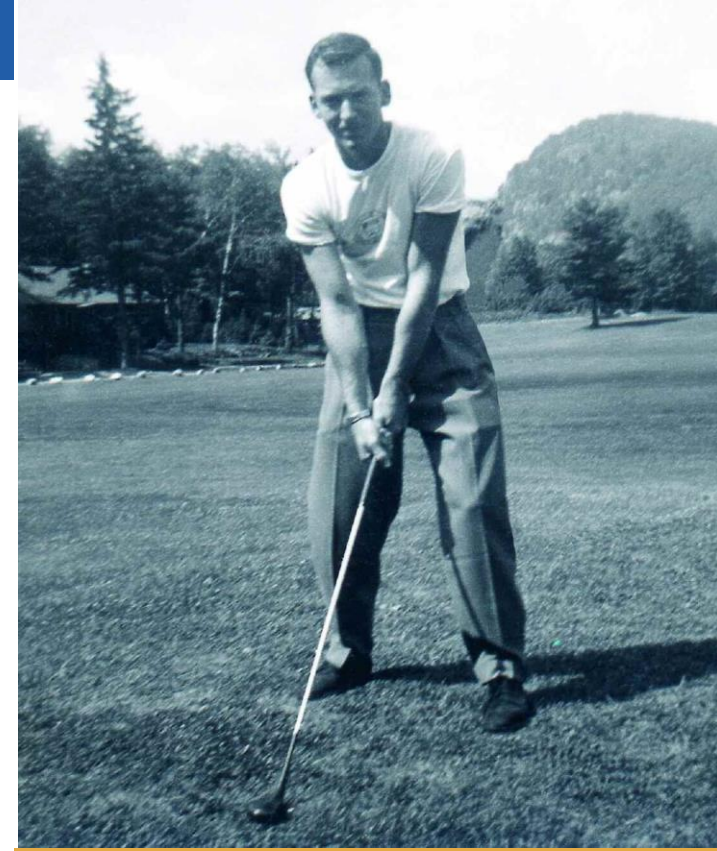

He retired from Barton in 1989 after dedicating over three decades of his life to his schools, students and staff. John spent over twenty years coaching primarily football as well as basketball. His teams won six city championships and several players went on to greater accomplishments in the Canadian Football League. More importantly, he furthered the development of countless outstanding individuals who contributed to their communities as athletes, coaches, teachers, and professionals.

Coach Wismer was genuinely interested in his students and he generously gave his time, guidance and recognition. His dream was to teach the game of life, to build character and to instill values that would sustain students throughout their life's journey. The Wismer Foundation was established in 2002 to continue Coach John Wismer's legacy.

*Kids Count – Sport Matters*

*Caring about character, coaches, and community
Investing today for tomorrow*

Established in 2008, this annual bursary supports a sports-related initiative within our community. Gatestone Community Centre, Barton High School, Hillcrest Elementary School, Hillcrest Soccer Program, Children's Wish Foundation of Canada and Glendale High School have received donations.
