

Wismer Award for High School Coaching Excellence

THE WISMER AWARD for High School Coaching Excellence was established in 2004 with the co-operation of the Hamilton-Wentworth District School Board and the Hamilton-Wentworth Catholic District School Board. This cash award and trophy is presented annually to an outstanding, currently active high school coach in the city of Hamilton within either the HWDSB or the HWCDSB. It is our mission to reward and recognize coaches who provide a strong foundation for today's youth.

The Award winner will have provided support and encouragement to enhance the life skills and abilities of student athletes. Nominations are accepted from any student, colleague, parent, coach or friend. The recipient of the award is determined by a selection committee composed of the Athletic Conveners from the HWDSB and the HWCDSB, teacher representatives and a Wismer Foundation committee member.

Wismer Award for Academic and Athletic Excellence

THE WISMER FOUNDATION awards a cash scholarship yearly to an exceptional male and female high school student athlete to assist with furthering their post-secondary education.

The individual must be a graduating student of Barton High School who is continuing their education at a University or Community College. The recipient will have excelled both academically and athletically, maintaining at least a 75% average annually. The Award winner must also demonstrate commitment, leadership, dedication, teamwork and fair play. Nominations are submitted by staff and coaches. A select group of Barton staff and a Wismer Foundation representative choose the finalist.

JOHN WISMER was a well respected, passionate educator with the Hamilton Wentworth District School Board for thirty-three years. His career began in 1956 at Central High School and in 1961 he moved to Barton High School where he would become the Head of Physical Education. He retired from Barton in 1989 after dedicating over three decades of his life to his schools, students and staff. John spent over twenty years coaching primarily football as well as basketball. His teams won six city championships and several players went on to greater accomplishments in the Canadian Football League. More importantly, he furthered the development of countless outstanding individuals who contributed to their communities as athletes, coaches, teachers, and professionals.

Coach Wismer was genuinely interested in his students and he generously gave his time, guidance and recognition. His dream was to teach the game of life, to build character and to instill values that would sustain students throughout their life's journey. The Wismer Foundation was established in 2002 to continue John's legacy.

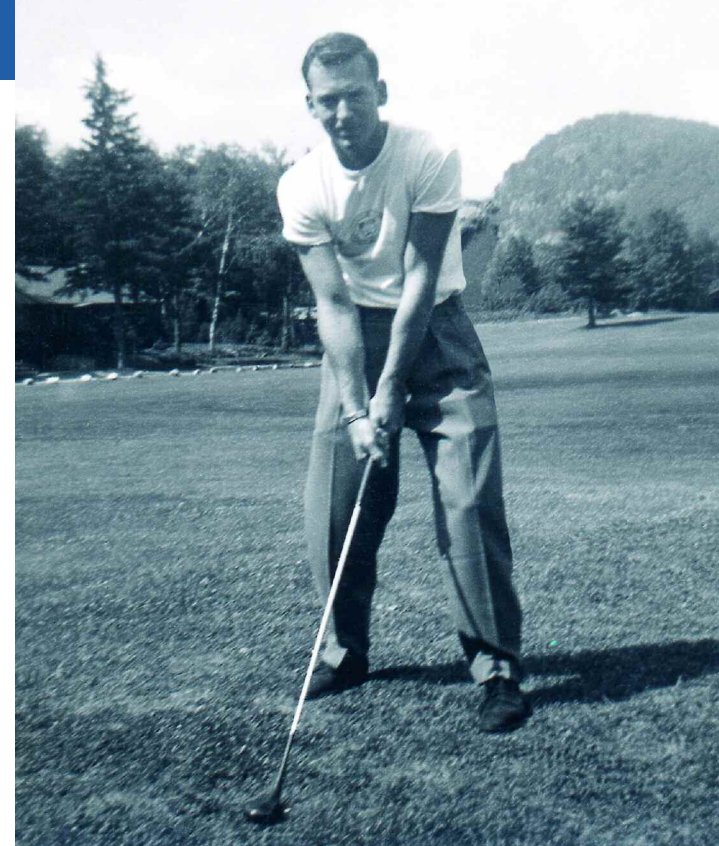

Kids Count – Sports Matter

Caring about character, coaches, and community

Investing today for tomorrow

ESTABLISHED IN 2008, this annual bursary supports a sports-related initiative within one of our community organizations. This year's beneficiary is the Children's Wish Foundation of Canada.
